Commissioner Bier moved to accept the audit. Ms. Wheelock seconded.

- IX. <u>DMC Metrics.</u> Lisa Clarke, EDA Executive Director, and Patrick Seeb, Economic Development and Placemaking Director, presented a recommendation to update the DMC goals for targeted business and workforce utilization. Mr. Seeb noted that the City of Rochester maintains a targeted business and workforce plan for DMC and that City and EDA staff are recommending that the goals be increased over the next several years. Tactics for pursuing these goals will be included in the 2021 EDA work plan.
- X. COVID-19 Organizational Responses.
 - A. <u>DMCC Executive Committee Direction.</u> Chair Rybak invited leaders from the City of Rochester, Olmsted County, Mayo Clinic, and the EDA to offer reports of responses to the health and economic crisis instigated by the COVID-19 pandemic.
 - B. Mayo Clinic Update. The Mayo Clinic update was provided by Jeffrey Bolton, Mayo Clinic Chief Administrative Officer. Mr Bolton reported that Mayo Clinic launched several health and research efforts in response to the pandemic, including tests, treatment, trials, and vaccine development. To mitigate risks to employee and patient health, Mayo Clinic curtailed non-emergent patient visits, redesigned care and visitation protocols, and moved thousands of staff away from campus. In response to the economic strains incurred by the pandemic, Mayo Clinic has reduced expenses in several ways, delaying capital projects (including the Gonda vertical expansion and Discovery Square parking ramp), reducing staff pay, and instituting a hiring freeze. Mr. Bolton reported that patient visitation volumes are increasing and that Mayo Clinic's "new normal" business operations could be stable by the end of the year
 - C. <u>EDA Update.</u> Ms. Clarke noted the direction provided to staff by the DMCC Board Executive Committee at its March 2020 meeting: accelerate job creation, maintain business development and other core activities, and contribute to economic recovery and resiliency efforts. Ms. Clarke reported that several programs are underway,

including a recovery webinar series, virtual community engagement, Business Forward implementation, the Keep it Local grants, a "Business Pivot" communications series, and several new partnerships.

D. <u>City of Rochester and Olmsted County Update.</u> Mayor Norton and Council President Staver described elements of the City's ongoing response efforts, including: the declaration of a state of emergency; activating the City's emergency operations center; daily economic stability team meetings; the relocation and staffing of homeless and warming shelters; operating a call center; the "Keep it Local" grant program and emergency small business loans and consultation support; and the deferral of liquor licenses and suspension of parking fees.

Commissioner Bier stated that Olmsted County has taken several steps in response to the pandemic, including the deferral of property tax collections; contact tracing by the County public health office; operating testing sites with Mayo Clinic and Olmsted Medical Center at Graham Park; extending the seasonal operation of the warming shelter; and participating in the "Rochester Re-opens" efforts.

E. <u>COVID-19 Infrastructure Support.</u> Chair Rybak stated that a key economic challenge will be maintaining the viability of current small businesses and noted the value Rochester's economy brings to the State of Minnesota. Chair Rybak proposed that the DMCC board needs to be ready to deploy its resources, with support from local leaders, to meet local economic challenges. Responding to this proposal, Mayor Norton suggested that it could also make sense for DMC resources to be retained until the longer-term economic implications of the pandemic are better understood. Ms. Clarke described the possible DMC CIP sources of \$250,000 in economic recovery and resiliency funding, the proposed principles that could guide its use, and how staff intend to keep the Board informed of recovery and resiliency investments. Mayor Norton stated that DMCC assistant treasurer Dale Martinson should also be provided investment reports.

<u>Resolution C</u>: Approving COVID-19 Expenditures in the Public Realm as Public Infrastructure Projects and Authorizing Expenditures.

Chair Rybak moved approval of the Resolution. Ms. Wheelock seconded.

Chair Rybak suggested a friendly amendment to the Resolution, reallocating the funding for the Resolution from the Five-Year Plan Update line items in the budget. Without objection, the friendly amendment was adopted.

Ayes: Commissioner Bier, Mr. Campbell, Council President Staver, Mr. Williams, Ms. Wheelock, Mr. Rybak.

- XI. <u>2021 DMCC Funding Request: Priorities, Process and Timeline.</u> Ms. Clarke provided an update on the 2021 funding request, requesting that the Board endorse the process, priorities, and timeline. Council President Staver, Commissioner Bier, Ms. Wheelock and Mr. Campbell volunteered to advise staff.
- XII. <u>Development Plan Five Year Update.</u> Mr. Seeb provided an update regarding the ongoing effort to update the DMC development plan, describing the process, plan elements, and timeline. The updated plan will be presented to the Board at its August 27, 2020 meeting. Mr.

Williams suggested that the Board may wish to take more time to assess the changing economic conditions.

XIII. <u>Project Updates.</u> Ms. Clarke provided brief project updates. In Discovery Square, staff are advancing Discovery Walk development, district energy planning, and pedestrian experience needs. Construction and business development efforts continue, with One Discovery Square approximately ninety percent leased and Discovery Square 2 advancing toward a planned 2020 groundbreaking. Additionally, the EDA has been working with the Medical Alley Association to develop start-up space in Discovery Square.

Ms. Clarke introduced Shane Mandel, Medical Alley Association President, who stated that the association has been identifying challenges the Minnesota health industry will encounter over the next decade. Mr. Mandle described DMC as an ally in addressing these challenges and introduced Frank Jaskulke, Medical Alley Association Vice President, who made additional remarks.

XIV. <u>2020 Capital Improvement Plan (CIP): Reallocation of Funds.</u> Mr. Seeb described recommended reallocations of 2020 DMC CIP funding to purchase a snowmelt system for the Heart of the City phase 1 project and to accelerate a planned sewer diversion project in the Central Station subdistrict. Mr. Seeb indicated that City staff also support the reallocation.

Resolution D: Approving Amendments to the 2020 Five Year Capital Plan. Mayor Norton moved approval of the Resolution. Ms. Wheelock seconded.

Ayes: Commissioner Bier, Mr. Campbell, Mayor Norton, Council President Staver, Mr. Williams, Ms. Wheelock, Mr. Rybak.

LIABILITY COVERAGE - WAIVER FORM

Members who obtain liability coverage through the League of Minnesota Cities Insurance Trust (LMCIT) must complete and return this form to LMCIT before the member's effective date of coverage. Return completed form to your underwriter or email to psteck@lmc.org.

The decision to waive or not waive the statutory tort limits must be made annually by the member's governing body, in consultation with its attorney if necessary.

Members who obtain liability coverage from LMCIT must decide whether to waive the statutory fort liability limits to the extent of the coverage purchased. The decision has the following effects

- If the member does not waive the statutory tort limits, an individual claimant could recover no more
 than \$500,000 on any claim to which the statutory tort limits apply. The total all claimants could
 recover for a single occurrence to which the statutory tort limits apply would be limited to \$1,500,000.
 These statutory tort limits would apply regardless of whether the member purchases the optional
 LMCIT excess liability coverage.
- If the member waives the statutory tort limits and does not purchase excess liability coverage, a single claimant could recover up to \$2,000,000 for a single occurrence (under the waive option, the tort cap liability limits are only waived to the extent of the member's liability coverage limits, and the LMCIT per occurrence limit is \$2,000,000). The total all claimants could recover for a single occurrence to which the statutory tort limits apply would also be limited to \$2,000,000, regardless of the number of claimants.
- If the inumber waives the standary tort limits and purchases excess liability coverage, a single claimant
 could potentially recover an amount up to the limit of the coverage purchased. The total all claimants
 could recover for a single occurrence to which the statutory tort limits apply would also be limited to
 the amount of coverage purchased, regardless of the number of claimants.

Claims to which the statutory municipal tort limits do not apply are not affected by this decision.

BACKGROUND RECITALS

- A. Pursuant to Minnesota Statutes Section 469.43, the Destination Medical Center Corporation ("DMCC"), working with the City of Rochester (the "City") and the Destination Medical Center Economic Development Agency (the "EDA"), adopted a development plan on April 23, 2015, as amended (the "Development Plan").
- B. The DMCC also adopted a geographic area in the City identified in the Development Plan, in which public infrastructure projects are implemented as the Destination Medical Center development district (the "Development District").
- C. City and EDA staff recommend a modification to the Development District, set forth in Exhibit A, attached (the "Proposed Development District Modification" or "Modification Number 2").
- D. Pursuant to Resolution 98-2020, the DMCC submitted Modification Number 2 to the City for its consideration and action.
- E. The City of Rochester Common Council approved Modification Number 2 in a Resolution passed and adopted on July 20, 2020. A copy of that Resolution is attached hereto as Exhibit B.

- G. In Resolutions 87- and 89-2019, the DMCC approved the public infrastructure project associated with Modification Number 2 as consistent with the Development Plan.
- H. With the benefit of input from the public, including the opportunity for written comments and public testimony, and comments from the City, EDA staff, and officials, the DMCC makes the following findings of fact and resolution.

FINDINGS OF FACT

Accordingly, findings 2, 3, and 6 of the DMCC in Resolution A-2015, dated April 23, 2015 concerning the Development Plan, are hereby incorporated by reference.
- 2. Modification Number 2 is consistent with the Development Plan, advancing the goals and development to support the destination medical center framework.
- 3. Modification Number 2 affords maximum opportunity, consistent with the needs of the City, Olmsted County, and the State, for the development of the City by private enterprise as a destination medical center.
- 4. Modification Number 2 conforms to the general plan for the development of the City and is consistent with the City Comprehensive Plan.
- 5. In the Resolution passed and adopted on July 20, 2020, the City approved Modification Number 2.
- 6. On August 27, 2020 at 9:30 AM, the DMCC held a meeting and public hearing to receive public input and to consider Modification Number 2. The DMCC published notice of the hearing at least ten days in advance in the *Rochester Post-Bulletin*. The DMCC also received written comments through August 18, 2020.

- Reset expectations based on COVID-19 impact
- Establish a framework for future decisions

Catherine Malmberg, an affiliate member of the Minnesota Design Center, was retained to lead the update process, under the direction of DMC EDA staff. Input was received from regional economic development and planning partners. In addition to the 2015 DMC Development Plan, all subsequent and related plans were reviewed, such as the Integrated Transportation Studies, Heart of the City design, Graham Park masterplan, DMC Design Guidelines, and City Comprehensive Plan.

Three firms were retained to assist with data collection and analysis:

- -AECOM: to measure progress against the targets established for Phase I
- -Urban 3: to illustrate the relative advantage of dense urban development on cost of government services
- -HR&A: to develop economic impact scenarios for COVID 19.

DESTINATION MEDICAL CENTER CORPORATION

RESOLUTION NO. ____-2020

Authorizing Submission of a Modification to the Development Plan to the City of Rochester (Five-Year Update)

BACKGROUND RECITALS

- A. The Destination Medical Center Corporation ("DMCC") adopted a development plan (the "Development Plan") on April 23, 2015, as amended, to guide the implementation of the destination medical center ("DMC") initiative in Rochester, Minnesota.
- B. By statute, the DMCC may modify the Development Plan at any time, and must update the Development Plan not less than every five years. Pursuant to Minnesota Statutes Section 469.43, subdivision 4, a modification or update must be adopted by the DMCC upon the notice and after the public hearing and findings required for the original adoption of the Development Plan, including approval by the City of Rochester (the "City").
- C. The Destination Medical Center Economic Development Agency ("EDA"), along with City staff, have completed their analysis and examination of the current Development Plan, and are now recommending an update to the Development Plan (the "Five-Year Update to the Development Plan"), attached as Exhibit A, and on file with the City and EDA offices, for consideration and adoption by the DMCC and City.
- D. The DMCC must hold a public hearing before modifying the Development Plan. At least sixty days before the hearing, the DMCC must make copies of the proposed modifications available to the public at the DMCC's and City's offices during normal business hours, on the DMCC's and City's websites, and as otherwise determined by the DMCC. At least ten days before the hearing, the DMCC must publish notice of the hearing in the official newspaper of the City. The DMCC may modify the Development Plan upon its finding that the elements of the statute have been satisfied, and upon approval of the modification by the City.
- E. The City must act on the Five-Year Update to the Development Plan within sixty days following its submission by the DMCC.

RESOLUTION

NOW THEREFORE, BE IT RESOLVED by the Destination Medical Center Corporation Board of Directors that the Five-Year Update to the Development Plan, dated as of August 27, 2020, and on file with the DMCC is hereby submitted to the City of Rochester for its review and action within 60 days.

BE IT FURTHER RESOLVED that the DMCC Chair and Vice Chair are authorized:

- (1) to make copies of the Five-Year Update to the Development Plan available to the public at the DMCC and City offices during normal business hours, on the DMCC's website, on the City's website, and as otherwise appropriate;
- (2) to determine the date, time, and place to hold the public hearing for testimony from the public concerning the Five-Year Update to the Development Plan; and
- (3) to take such actions as are necessary and appropriate to effectuate the submission of the Five-Year Update to the Development Plan and the timely progression of the approval process.

2021 DMCC Funding Request

To: DMCC Board of Directors

From: DMC EDA Staff Date: August 21, 2020

Request of the DMCC board of directors:

• Approve the 2021 DMCC funding request

Background:

Each year, the DMC Corp. must submit a funding request to the City of Rochester. The funding request includes a proposed:

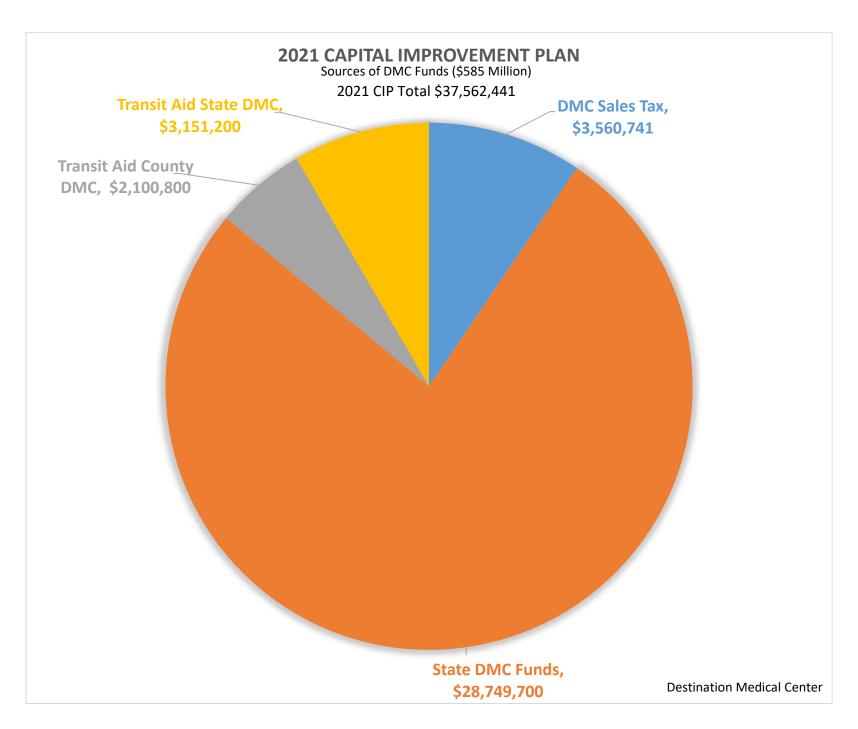

- Capital Improvement Program
- DMC EDA and City of Rochester DMC Project Management workplan and operating budget
- DMCC operating budget
- Request for the extension of the working capital loans

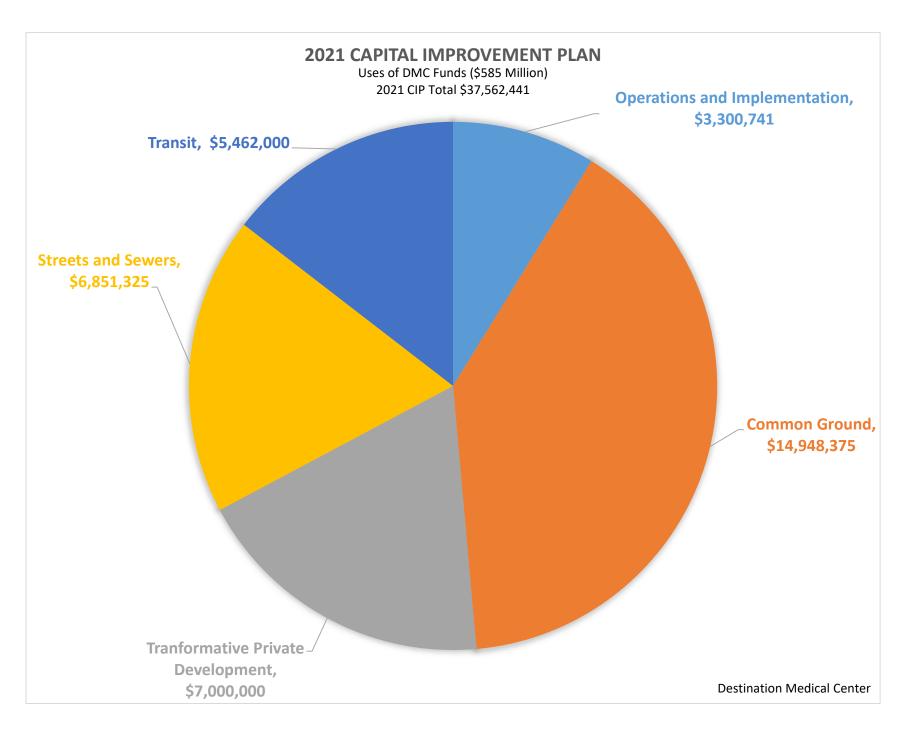

In April and May 2020, the members of the DMC EDA and DMC Corp. boards volunteered to advise DMC EDA and City staff in the creation of the funding request.

In August 2020, the DMC EDA and City staff conferred with the board volunteers to refine the funding request.
